76TH REGIONAL S'GANIT

My sister B'nai B'rith Girls, Programs fill our camera rolls with genuine smiles and unforgettable memories. During my time in BBG, I have gotten a snapshot of the unique programming that BBYO has to offer. I hope to enhance the photo quality next year by elevating our regional programs. If elected, I promise to give my 110% effort into every program. I will work passionately throughout the year to make this programming year the best one yet. This year, I have discovered my passion for programming and fell in love with the position of S'ganit. I would be thrilled to serve as this position on a regional level next year. I will zoom in on the programming in all BBG chapters by training and supporting all of the S'ganiot. BBYO has been such a huge part of my life for the past 3 years and I would be honored to have the opportunity to be a leader in this organization that has done so much for me. I have been cheesin' harder than ever throughout my journey in BBYO and I am so fortunate to have made so many friends and everlasting memories. Together, I am positive that we can make the 2020-2021 programming year picture perfect!

SUBMITTED WITH SO MUCH UNDYING LOVE
I FOREVER REMAIN
