## FOR THE HIGH AND HONORABLE POSITION OF REGIONAL ALEPH GIZBOR OF WISCONSIN REGION

“The starting point of all  
achievement is desire.” -  
Napoleon Hill

My Brother Alephs,

Our region is outstanding. With no doubt in my mind, Wisconsin Region #64 is one of the highest ranked in the International Order. We may not have the size that other regions have, but our energy is incomparable. But there is always room for improvement.

A problem that our region has seen recently is attendance. In order to keep Wisconsin Region as the powerhouse we are, we need to increase attendance. One way that this is possible is by having fundraisers to raise more money which will be used to make conventions more appealing.

This problem may seem small, but when it gets taken care of, our region will cement its status as the best region in the order. I know I am capable of taking care of this problem because I am a leader, I am responsible, and I am driven toward success. Allow me to be our region's catalyst for success. I will initiate the change and ensure our region's bright future.

Fraternally submitted with undying love for Bereshis AZA #39, Nivayim AZA #2434, Solomon AZA #2444, Heifetz BBYO #5608, Wisconsin Region #64, and the International Order of the Aleph Zadik Aleph, I remain, Aleph Adam Ryan Sadoff.
