Dear RMR B'nai Brith Girls,

My BBG path has not been the most traditional but regardless of the route that path took, it helped me find my passion and Jewish identity through BBYO. Through my experiences within my chapter, and attending QLIC, I have gained a tremendous amount of knowledge which I hope to use that information to inspire each and every one of you to find your inner Jewish leader. Not everyone has the same upbringing and experiences and that makes us all unique, that makes each of our Jewish identities unique. Yet, through BBG, I hope to unite everyone one of us by making Judaism, Social Action, Stand Up and giving back to the community a part of everyone's daily life. It is my dream that this follow us for the rest of our lives especially when our time in BBYO is over. "B'nai Brith girls, we are here to stay we'll pave the way for all the Jewish youth." We say those words during every cheer session and after every meeting belting our hearts out. As BBGs, we are one. When we as the B'nai Brith girls all stand up as one and work together, we CAN change the world and our dreams WILL be achieved. So, I ask you my sisters What do you stand up for? What's your dream? What do you want to change? I will pave our way as the Jewish youth of RMR and help every single one of you pave your own path towards your Jewish identity.

I Hadleigh Ann Swartz am here to stay and I will pave the way for all the Jewish youth.

With love, Proud Candidate for the 59th Regional Yehudah
