Chai Chaverim BBG's
Fall Term 2013

*This is the story of a girl, who
cried a river and drowned the whole
world!* (by Nine Days)

Wait... that's not right...

The girl in that song was
obviously crying because she wasn't in
CCBBG.

My Sister B'nai B'rith Girls,

This is not just the story of one
girl. This is the story of many girls.
Each one is different, each one is
unique. Yet somehow, they all come
together and form a bond so STRONG
that even the most powerful forces
can't break.

This is the story of Chai Chaverim
BBG, the chapter that proved that what
doesn't kill them can only make them
stronger, and that each year will be
better than the last.

This year will be no exception.

**Hope you're ready for a kickass year,
'cause it's coming your way!**

Once Upon a Time,
there was a young girl with no place
to call home...
