ALEPH JONATHAN BENJAMIN SHAHAM

RUNNING FOR THE HIGH AND HONORABLE POSITION OF EMA SHELCHA'S

ALEPH S'GAN FOR THE 28<sup>th</sup> TERM

Goals:

- Create an informational packet with information concerning each fold.
  - Each fold will have events that exemplify those certain ideals.
  - A separate section will be made on very good examples of 4-5 fold events.
  - It will be based upon actual events that have been done in BBYO.
- Encourage the planning of events by members
  - A list will be passed out on the 1<sup>st</sup> meeting of the month and those who are interested can write down their names.
  - If the event planner requests, a committee can be elected to aid in the programming of the event in question.
- Ema's Banot
  - A new tool for advertising events, involves our sister chapter.
  - Our sister will call new/prospective/current members and ask them to come to the event that week.
  - It will strengthen the bond with our sister chapter.
- Event Calendar/Hosting Form
  - With the Mazkir, a calendar of upcoming events will be made and constantly updated on the Ema Facebook page.
  - A form will be made for members who wish/can host events at their house.
- Chairmanships
  - Chairmanships are appointed positions (appointed by the S'gan), which aid the chapter in a way that Board Members cannot.
  - This helps get the entire chapter involved, and keeps the chapter flowing very smoothly.

***Fraternally submitted with undying love for Ema Shelcha AZA #2495, the Pacific Western Region, and the International Order of the Aleph Zadiq Aleph, I remain Aleph Jonathan Benjamin Shaham.***

My Brothers:

As Aleph S'gan, I plan to make events a large part of our chapter, and allow Alephs to experience AZA fully along with their brother Alephs and sister BBGs. Together we can usher in a new era of programming and learning through the events that our chapter will plan. This will benefit the region and the chapter, giving Ema Shelcha a good reputation throughout the region. We are so very close this past term, and we must continue the work of our past S'ganim.
