*is caucused for the high and honorable position of Nassau Suffolk region's 59th Sadranit*

Dear BBGs of NSR,  
Convention has always been an experience that changes lives. My first regional convention was the place that I fell in love with BBYO, and I admire the huge impact that it has on everyone. I am confident that I am able to make conventions even more amazing if you gave me the chance. I want to continue the meaningful memories and relationships that are formed, and maintain the wonderful experience that comes along with regional conventions.

# MY GOALS

## **SPIRIT COMMITTEE:**

☀ Add a new committee to steering, plan and create fun competitions between chapters

## **PROGRAM SIGNUPS:**

☀ Prior to convention, members select and sign up for their choice of elective and Shabbat service to avoid chaos and ensure that all programs have attendance

## **DORM LEADING:**

☀ Leaving more time for dorm leaders to meet with members allows more amazing relationships made and for each girl knows there is someone looking out for them

## **THE ROOMIE TEST:**

☀ Allowing members to take a survey and get matched up with their best pair creates amazing friendships

## **STEERING:**

☀ Increase the productivity of steering by holding in depth meetings with each committee, and making sure that each program ties into the theme and is meaningful so everyone can take something out of it

## **INCREASED ATTENDANCE:**

☀ Large attendance allows for an amazing, successful convention! Making efforts to speak with different chapters by sending personalized videos or letters will help bring us a large amount of people
