My Sister B'nai B'rith Girls,

I, Sara Goldberg, am caucusing for the high and honorable position of Chapter S'ganit. I plan on doing my best to uphold the responsibility of this position. My goal for this term is for all of our programs to be meaningful, effective, and enjoyable. As our chapter S'ganit, I plan to not only work with my fellow board members, but also all of you, in order to ensure our programs are the best they can be. It would only make sense if you get a say in what we do as a chapter. The reason I am running for this position is because I want to see this chapter succeed through programming excellence that utilizes the six folds. As S'ganit, I want to plan programs based on what members want to experience, I want to ask members for feedback based on programs. Every member will be given the opportunity to help plan the programs they wish to see.
