Brown Belt- Speech

My sister Nisia, my sisters BBGs, I, Sarah Alyssa May would love the opportunity to be your next Aym Ha Chaverot. When I first joined Kulanu I knew nothing about BBYO. Then my Aym Chaverot taught me so much. She made BBG fun and always made sure that everyone always felt welcome and had no questions about what was going on. Now two years later, I have learned so many new things. I would love to be able to help new members as well as old ones the same way she helped me. I understand that it would be a large commitment but I would work to my full potential. I have come to know how much fun Kulanu and BBYO can be and I would love the chance to help other girls realize that. There are a few things that I would like accomplish if I was MJT-mom. The first would be to start a MJT board. I feel that this would help because if the new members have a chance to see what it would be like having a position, then they would be more prepared when running for a position on the executive board. In addition, I would like to reestablish the big sis/ little sis so that the new members have someone to go to

with their questions. Furthermore, I would like to have more MTS functions not only with our chapter but with other BBG chapters to build our sisterhood. My personal goals would be to have 75% of all of the members to rejoin and 50% of all our members to go to RC, Fall Conclave and ETC. So in conclusion, please vote for me, Sarah Alyssa May as your Aym Ha Chaverot for the 2005-2006 programming year.
