- Attended AIPAC High School Summit
- Attended ECK 2012, 2013
- ILTC 2013
- Communicated and developed relationships with the international board

Goals and Ideas

Counterparts

REGIONAL PROGRAMMING

With out the chapters there would be no region. During my term, if elected, I will place a large amount of my time and attention towards helping my counterparts. To make sure they are planning enjoyable solid programs with the goal of gaining new members and retaining old ones. I will utilize the five folds in order to inspire new programs at the chapter level. By doing this it will not only make the job of the Moreh less stressful, but also more enjoyable. I will develop long-standing relationships with my counterparts and chairs.

COMMUNICATIONS

To ensure of this I will hold meetings every 3 weeks with my counterparts and chairs with the goal of educating them, planning new events, and most of all guide them to ensure we will **KEEP MOVING FORWARD**. I will hold phone call meetings once a week to make sure the chapter S'gans are doing their job and everything is running smoothly. In addition I also email the chapter S'gans to keep in touch and on a close basis with them. **WE as a team will rise WITH the challenge, not to it.**

Brotherhood Bonding

I will initiate a big brother-little brother program. Where seniors in a chapter of the region will pair up with freshman and eighth graders, and juniors will pair up with sophomores. Through this program I believe the seniors will help inspire the freshman and help develop the love for BBYO that we all possess. It will also allow the juniors to help maintain that love for BBYO in the sophomores of the chapter. In turn, this will help inspire regional and chapter events through big brother-little brother competition and bonding.

Programming

Starting this coming September I will initiate the first **AZAA** fantasy league. During this coming year **BBYO** chapters will compete in different fantasy sports. Through this giant program it will induce chapters all over the region to communicate more often, and hopefully will inspire a joint program including two or more chapters. The chapter with the most wins at the end of the **BBYO** year will win a grand prize. For kickoff we will have a **NSR** rage! An incredible DJ will perform. Prizes will be given out. Through this great event I hope to gain new members and retain old ones while kicking off the **NEW BBYO** year! To help raise money for the Chapter's and Region's Stand Up! cause I will plan a Regional Charity Formal.

My brother Alephs,

In front of us we have a whole new destiny filled with greatness, and it is our duty to rise with the challenge. **AZA** must stand united to make it evident that **WE**, the **AZA's** of **NSR**, shall never fall. We must stand together not only as Jews, but also as **BROTHERS of AZA**. It is with solid programming that our **REGION**, and our **CHAPTERS**, will prosper and set new standards.

Fraternally submitted with undying love for the Nassau Suffolk Region #19, every single Aleph in the past, present, and future, and my heart and my home Exodus AZA #2260, I remain,

Aleph Scott Bennett Pergament
