BBYO is a home away from home.

It is a place for all Jewish teens to feel safe, welcome, and accepted. BBYO has been strong in Wisconsin for 66 years. The filial love that we feel brings us together. We express our diverse, yet common, Jewish ideals and beliefs to create brotherly bonds. We are a link in the Jewish Chain. What we do now affects the generations that come after us. With this great effort, we can make Wisconsin Region's 67th year our best year yet!

My brother Alephs,

I, Aleph, Seth Yales Friedman, stand before you as your brother, caucusing for the high and honorable position of Wisconsin Region's 67th Aleph Shaliach. For 3 years I have been a part of the Aleph Zadik Aleph. BBYO and the Aleph Zadik Aleph would not be present without the Jewish religion and bond that brings each of us together. It is the one thing that everyone in this order has in common. 20,000 teens of the 14.2 million Jews in the world are in BBYO. We may be small in number, but big in heart and voice. Our Jewish values express who we are, and we have an obligation to educate the world. BBYO has made us into such manly men and leaders in our community. Together we will build our Jewish community for future generations.

Fraternally submitted with undying love for CLTC 3 2015, Perlman Summer 2016, Bereshis AZA #39, King Solomon AZA #2444, Heifetz BBYO #5608, my heart and home Nivayim AZA #2434, Wisconsin Region #64, and the grand order of the Aleph Zadik Aleph, I will forever remain Aleph,
Seth Yales Friedman

Judaic Vision

Judaism is a work of art. Being Wisconsin Region’s 67th Aleph Shaliach is a dream. I value the Jewish Religion with all of my heart. It shapes me into the man I want to be. One of my favorite things about Judaism is that we are able to express our feelings and beliefs in many diverse ways, making each of us different. This summer, when I attend Kallah, I will get a better understanding of my Jewish identity. Once I discover ways to do so, I will carry them home to help each and every one of you find your connection to Judaism. I aspire for Aleph Shaliach to make Judaism fun for all of the Alephs and BBGs in BBYO.
