FOR MAX FISHER AZA #337'S  
8TH EXECUTIVE BOARD

**My Brother Alephs,**

WHAT IS BROTHERHOOD WITHOUT EXCEPTIONAL PROGRAMS TO UNITE US? IT IS NOTHING. TO MAINTAIN AND SURPASS THE "FISHER STANDARD OF EXCELLENCE", WE MUST HAVE STRONG AND POWERFUL PROGRAMS. WE MUST EMBARK ON A JOURNEY NEVER BEFORE TRAVELED BY FISHER. A JOURNEY WITH CONTINUOUS BROTHERHOOD AT THE FOREFRONT, ALWAYS LIGHTING THE PATH AS WE MOVE FORWARD. WITH BROTHERHOOD LEADING OUR JOURNEY AND PROGRAMS PROVIDING THE EXTRA PUSH NEEDED TO KEEP OUR JOURNEY CONSTANTLY MOVING FORWARD, FISHER WILL SOON ASCEND TO A PODIUM OF GREATNESS NEVER BEFORE SEEN BY ANY CHAPTER ACROSS THE ORDER.

*Aleph Seth Franklin Betman*

## Programming Goals:

☆ **Voting/Polls-** At every chapter meeting, propose a few ideas and have the members vote for their favorite. Polls will be set up for this same task over the Internet or Facebook.

☆ **Have at least 1 program a month is planned by a chapter member-** Members don't have to be on Exec. Board to make a pawprint. Program ideas planned and implemented by members are encouraged, and will strengthen our chapter and brotherhood. This will also be putting a Programming Committee into action.

☆ **50% of functions are with other chapters-** Fisher needs to be more active within the region. One way to do this is to function with other chapters.

☆ **At least 1 original 5 fold program a month-** Original programs help increase excitement and attendance at programs. A great original program can change the mindset of the chapter, especially if it covers all of the folds.
