LETTER TO THE CHAPTER

My brother Alephs,

This past programming year has been by far the best one yet. From having record turnout at both of the conventions, to winning the spirit gavel, to having excellent meeting programming, to meeting some of my closest friends, I can't ever quantify all that Gottlieb has given to me in the past 9 months. Our brotherhood has never been stronger, and our friendships will only continue to strengthen. After receiving so much from Gottlieb, it's time for me to give back. I feel as if it is my responsibility to help maintain the close, friendly environment that Gottlieb offers for every single one of its members. I will make sure that all Alephs can voice any opinions or concerns to me, and I will incorporate their feedback into the programs I write. I will make meetings a safe space for all of our Alephs, and continue to uphold our reputation as the best chapter in CVR. As S'gan, I will not only uphold, but improve upon Gottlieb's greatness.

Fraternally submitted, with an undying love and dedication to Gottlieb AZA #2196 CVR #17, I forever remain Aleph Ryan Andrew Brenner.
