

Eva Michelle Wayne

IS CAUCUSED FOR THE HIGH AND HONORABLE POSITION OF
NASSAU SUFFOLK REGION'S 57th S'GANIT NASSAU

MY SISTER B'NAI B'RITH GIRLS,

The BBGS of the International Order are thriving, but is that the case for the BBGS of the Nassau Suffolk Region? NSR is known to be a region that has highs and lows. Right now, we aren't doing as well as we can be. We need to take the "ifs" out of the equation. Stop asking ourselves "if" we can expand our chapter or "if" we can strengthen our board. Don't question yourself, when you believe that you can, you will be able to. This will be the year that we take the word "if" out of our vocabulary. Together we will be able to inspire each other to do all the work we have ever imagined of doing. As a region, as a chapter, and especially as a member, it is your turn to decide whether or not the word "if" will be in YOUR vocabulary.

Submitted with undying love and devotion for NEVER again saying the word "if", believing in yourself, CLTC 5 2013, NSR #19, and my heart and home BZB BBG #0117, I forever remain,

Eva Michelle Wayne
PROUD CANDIDATE FOR YOUR 57th S'GANIT NASSAU

Qualifications

BZB BBG #0117

Member in Good Standing since January 2012

Attended ALL events within reason
Attended ALL meetings within reason

Beach Party 2011, 2012, 2013, 2014*^
AIT MIT Convention 2014*

GOALS AND IDEAS

N'siot+ communication

- Monthly calls with all Nassau N'siot to discuss chapter events, meetings, and attendance in general so everyone can help each other with any issues or questions
- Bimonthly one on one calls with each Nassau N'sian to check up on specific chapter problems and focusing on finding the solutions the board/chapter have encountered
- Bimonthly emails to easily keep up communication if any issues arise
- Create a N'siot group chat on groupme for quick solutions to any small scale problems and to make a community where ideas can easily be shared and exchanged
- Chapter constitutions to be updated if needed so that they can keep up to date with the changes of their chapter
- Have N'siot and the rest of their board fill out a survey after every program/meeting on how successful they thought it was. This way we will be able to address every individual problem and find a solution for it.

As your S'ganit
Nassau I will
strive to...

- Respond to all emails, phone calls, and text messages within 24 hours
- Attend at least one meeting/program per chapter per month
- Consistently be there for any of my counterparts with their problems in and out of BBYO
- Work my hardest to make sure our region is a better place to meet friends and show your leadership
- Make the chapters stronger through the members and the board

N'siot+ Bonding

- Sleepover at the beginning, middle, and end of the term to get to learn more about each other
- The first sleepover will include making our goals for the year, the second will be a check up, and the third sleepover will be our reflection
- Monthly dinners to keep up with each other's lives in and out of BBYO

Regional Bonding

- Set up a sister chapter system throughout the region to promote regional sisterhood and to make more regional friendships
- Plan regional pen pals so that members can meet and make friends outside of their chapters
- Encourage interchapter programming with Nassau and Suffolk chapters to make strong chapter bonds

Encouragement

- Chapters with exceptionally planned programs will be rewarded
- Friendly competitions will be set up for every chapter
- Every month, the hardest working N'sian will be recognized regionally and will receive a special prize
- Encourage chapter chairs to be created for each position to give members a chance to get a feel for taking up leadership positions
