# Goals and Ideas

## Counterparts

- Give feedback on PPFs in a timely manner
- Attend at least one program per BBG chapter a term
- Send bimonthly counterpart emails
- Begin program reflection forms for after programs so the S'ganim can learn from their mistakes
- Monthly google hangouts with all counterparts together to check in
- Help S'ganim create goals at the beginning of the term
- Monthly separate S'ganit calls to check in with goals and programming
- Create committees within chapters to assist S'ganim throughout term

## RC 2015

- Work closer with regional S'ganim to create programming that is more central to the overall theme
- Organize an efficient system for the steering committee
- Create an engaging community service project that is easy for everyone to participate in

## BBG Spirit Day 2015

- Assign BBG Spirit Chair when needed
- Assist Chapter S'ganim in more productive planning so that every member of the chapter is involved and no one is left out
- Create an inclusive environment for all Spirit Day activities

## Sisterhood

- Unify the council
- Work with MIT Mom to create bonding programs

## Creativity

- All council programming will include at least one arts and crafts time so that you have something to bring home with you

## Six fold Programming

### Jewish Heritage

- Work with Shlichah to add more programming to BBG Shabbat
- More Israeli education programming
- Asking IDF Soldiers and Holocaust Survivors to come speak to the council about advocacy

### Social Action

- Programming that involves our council StandUP cause
- Engaging programming that teaches issues going on in the world
- Work towards creating a higher attendance at J-Serve 2015

### Community Service

- Strive for at least two community service projects each term
- Working with other youth groups in the area to help as many people as we can

### Recreation/BBGG

- Yoga at the JCC
- Council Zumba classes
- Nature Hikes at Oregon Ridge
