

My Sister B'nai B'rith Girls,

I am amazed to see how much our chapter has grown through the years I have been in BBYO. Think about it, if it weren't for fundraising, programs would not be as amazing as they are, girls would not be able to go to conventions, and if it weren't for I\$F, some leadership opportunities would not be possible for people in other countries. If elected as Gizborit, I promise to do my best to ensure every fundraiser is well advertised and have people excited to go.

With undying love for, Aviva BBG #2509, GMR #61, IMPACT: Boston, Shania Twain, Yeezy, and each an every one of you, I remain,

Damn Proud Candidate for Aviva's Spring term Gizborit
