## MY SISTER B'NAI B'RITH GIRLS,

What do the members of Aliyah BBG have in common with Kim, Khloe, Kourtney, Kendall, and Kylie? Sisterhood! Although most are not blood related, Our Jewish roots connect us as אחיות (sisters) in this organization. If elected as Sh'lichah next year, I hope to provide meaningful Jewish experiences and opportunities for all members of the chapter. I will focus on making Jewish programs fun and engaging throughout my term. I am passionate about educating and celebrating our shared religion, I look forward to planning engaging and unique Jewish experiences and community service opportunities. It is our duty in BBYO to leave a lasting impact on this world and make a change in our community.

**SUBMITTED WITH SO MUCH UNDYING LOVE, I FOREVER REMAIN**
