is to go beyond them into the impossible."*

~ Arthur C. Clarke

My Sister B'nai B'rith Girls,

In the upcoming program year, I want to see Michigan Region follow the map and find the buried treasure. It will be a long struggle but in the end Michigan Region will be able to offer so much more to each and every BBG. I plan on taking fundraising to the next level, by making regional programs into fundraisers to help raise money. I also want to get our local community involved in fundraising for BBYO, by advertising different fundraisers that we will host. I also hope to help subsidize the price of conclaves and programs to allow more members to be able to experience these amazing events. I also will encourage my counterparts to work hard and doing amazing at their position. This year can be the best programming year yet, and I plan to help to the best of my abilities to contribute to its success.

With so much undying love for Searching for the Buried Treasure,
Michigan Region GLC,
and each and every single girl who is proud to call themselves a
B'nai Birth Girl,
I Remain,

Hayley Nicole Siegel
