Godol Promise:

I will remain completely dedicated to our chapter.

I commit to attending every meeting this term and will encourage the Board members to do the same.

I will do my best to help every chapter Board member reach the goals I have outlined on the back of this platform as well as their own personal goals.

I would like to create a Board LTI to educate each Aleph on the Board so that they can learn the leadership skills to make them successful in their position.

Education is the key to successful leadership and will make our chapter stand out in PWR.

I am proud of our chapter because it is filled with fraternal love, leadership and meaningful experiences. I want to inspire other members to have the opportunity to lead our chapter and grow as a dedicated Aleph.

My Brother Alephs of Palisades AZA #2536

Our chapter has been alive and well for about 6 years. Starting out with Marco Schneiderman, Alon Sugarman, and Bobby Dishell back in the Fall of 2007. Today our chapter has over 25 members and continues to grow! I have been in this chapter since September 2010 and I have seen this chapter achieve success with membership, programming, leadership and fraternity. We need to keep climbing to success so our chapter can stay healthy and strong!

Fraternally Submitted with undying love for Palisades AZA #2536, Pacific Western Region #44 and the Grand Order of the Aleph Zadik Aleph, I forever remain **Aleph Danny Nolan Sills**
