My sister B'nai Brith Girls,  
To be elected as your regional Gizborit would be an honor above all honors, as I would be upholding a legacy of strong Jewish women. You, the girls of the Ohio Northern Region, are the kindest, most dedicated and brave women I have ever had the pleasure of knowing. I want to give back to you, and this is the way I want to. I want to prove that any of you can do whatever you set your mind and heart to. Money makes the world go round, but so do badass and unbelievably talented and kind women!
