Dear Max Fisher AZA #337,

I have only been an Aleph for a year, but during that year I have accomplished a lot. I have created and publicized are chapter in better ways. Always, I will be open to any ideas from anyone to make our chapter better. I promise to keep our chapter at the Fisher Standard Of Excellence. By doing this we will always have top-notch publications. If you elect me I can promise that we will have a GRREEEAAT year! I am a very hard worker and I promise to put 337% effort in to make sure we have the best year ever for Fisher AZA.

With Undying Love For Max Fisher AZA #337, I Remain,

Aleph Alec Milton Cohen
