

Ben Sterlin

Candidate for the high and honourable position of

Regional Mazkir

Communication – Judaism – Advocacy

Who Am I?

Hi, my name is Ben Sterlin. I am 16 years old, born on March 19, 1996. I enjoy relaxed, summer days and long talks with friends. I hate stress and avoiding problems. But more importantly, I aspire to be YOUR **Regional Mazkir** for the 2012/2013 year. What is a "Regional Mazkir" you ask? It is the position in charge of all the communication that happens in the region. BUT AN ADDED BONUS, it is also in charge of the community service and advocacy the region does, as well as all the Jewish programming that happens in the region. Lake Ontario is currently great, but I have a dream to make it incredible. Let's make that dream a reality.

Fraternally submitted with undying love, I remain
Aleph Ben Reuben Samuel Sterlin
