Role the dice, take a chance, and learn to take over programming with
Michelle Annie Unger
 Candidate for S'ganit of Michigan Region B'nai B'rith Girls
 For the 2002-2003 Programming Year

My sister B'nai B'rith Girls,

I took that CHANCE card, and landed on the BBG BOARDWALK. Now I ask you to join me on READING RAILROAD, and together we can share my love and passion for BBG and programming. These past two years that I have been in BBG, I have Passed GO and put my heart into my chapter and Michigan Region. I've built houses and even some hotels, and now it's my turn to give back to this region. I want to help

all of the players (chapter s'ganit) learn how to bring new, creative, fun, and exciting programming ideas into their chapters. Together we can buy PARK PLACE, WATERWORKS and accomplish all of our goals too. As S'ganit I want to get all the six folds out of the COMMUNITY CHEST and start using them! I want to see no LUXURY TAXES paid on Awards this year. I'm here to lend a helping hand and to turn around Michigan Region Programming. The world of BBG has taught me the rules to this game, and I'll let you role the dice, as long as you let me help make the moves. I ask you to elect me, Michelle Annie Unger as your Regional S'ganit for the 2002-2003 programming year, and together we can play one exciting game of MICHELLEOPOLY.

With an undying love and passion for Michigan Region and the B'nai B'rith girls,

Michelle Annie Unger
