HOGWARTS STAFF (POSITIONS HELD)

My sister N'Siah, my sister B'nai Brith Girls,

When I think of our chapter, I see a smart, beautiful, able bunch of girls who have the power to do anything. I am honored to be a part of this amazing group, and I see us doing great things together in the future. I hope to lead us in these accomplishments and see us blossom even more as individuals and as a Chapter. We, the members of Kulanu BBG #419 should realize that we are important in keeping Jewish teens connected everywhere and with great leaders, our Chapter, and all others will flourish.

With so much undying love for witches and wizards, Bertie Botts' every flavor beans, this Chapter, and each and every one of you, I Remain,

Rebecca Berman
