"I scream, you scream, we all scream for ice cream!" Together we can create a lifetime of memories in a single year. As Orechet, I will dedicate one hundred and ten percent into creating the newspaper, scrapbook, and website that will share them all. The passion I have for this chapter is indescribable. Ruach has given me so much, from forty amazing new sisters to dozens of incredible experiences. In return, I would gladly fulfill every duty of this position with enthusiasm and devotion. I would be honored to have the opportunity to serve as your Orechet for this next s'cream-sweet programming year.

With undying love for ice cream, writing, the blue
M&M, and each and every one of you,
I remain,

Steffany Ellenstein
