

# Aleph Daniel Jonathan Way

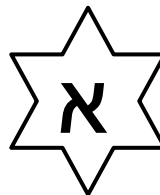

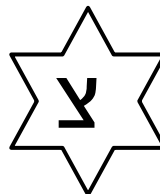

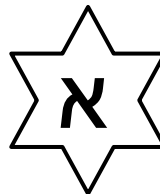

Caucusing for the High and Honorable Position of  
12<sup>th</sup> Regional Aleph Godol

My Brother Alephs,

GMR here we truly are! This has been a year to remember. The involvement of our alephs in GMR has been remarkably outstanding. With over fifty of attendants at IC this year and record breaking numbers going to CLTC and many other summer programs, who knows what our leadership will look like in the coming years. We are all part of an something bigger than most of us think, bbyo has endless of opportunities to max out your leadership potential. I know that the work we have just started to do this year can truly explode into something bigger in the upcoming year. There WILL be an aleph who will coordinate Invite, there WILL be an aleph who will recruit over ten new members, and there WILL be an aleph who will be the next regional Aleph Godol, but will this Aleph be you. What will YOU do to take up these opportunities listed to you. What will YOU do to plan the next chapter program, or introduce an AIT into the order. GMR these steps all start with YOU. I know that we can continue to succeed on our way to becoming a powerhouse region in our order. I know because this all starts with YOU. My brothers our time is not tomorrow, not yesterday, but our time is NOW. Our time to succeed is today. We will be the region that everyone in order hears about in international news. We are not the okay midwest region but the "GREAT" midwest region.

Faternally submitted with undying love for Shabak AZA #2342, the GREAT Midwest Region #61, the Grand Order of the Alpheh Zadik Aleph, and our leadership starting with you, I remain Aleph Daniel Jonathan Way.
