

My Sister B'nai B'rith Girls,

I plan to begin a new tradition in our chapter called "Owl of the Season". Each season (FSSW), a girl that has shown the most spirit in our chapter will be named "Owl of the Season" and receive a special surprise. I believe that this will boost our thriving spirit! This is also a great way to highlight our chapter's individuality! Everyone knows our N'siah is the honorary "mother" of our chapter. At the end of our N'siah's term I would like to have everyone from our chapter write a personalized note to her, expressing our appreciation for her service! Sadly, our wonderful seniors will be leaving us at the end of this term. I would like to work with our chapter's members to create a little something for each senior as a parting gift. I vow to personally customize thank-you-notes for families that host programs. I also vow to personally customize birthday cards for each girl in our chapter. Let's make this term Wise's most spirited yet!

Respectfully Submitted with undying love for the green and blue owls of Wise, my BBG sisters, the wonderfully weird moments of life, songwriting, T-Swift, piano, Girls Rock Camp Houston, pandas, & Ravenclaw, I remain,

**Gilliana Hope Gaines**
