# Goals

- At LEAST 2 emails sent out per week
  - I will keep in constant contact with regional board and mainly the regional S'gan
- 2-3 issues of the Chai Times sent out each term
  - 1. All chapter Mazkirs will be responsible for the chapter submitting at least 3 articles to the Chai Times. In the past the Chai Times has not been as successful as it could. I want to make it better.
  - 2. All those chapters with sophers will be responsible for the same
- Regional Website
  - A website that would have all the information about events as described in emails. I would also have chapters create their own page to post reports, pictures, and anything else they want. The website would gather all the info available on emails, facebook, calls, and b-linked and make it easily accessible on one website.

- Mazkirs utilize phone calls, texts, and facebook along with their emails
  - Facebook is a great way to get out chapter info, since most of us check our facebook 10x more than our emails. Facebook is also good for creating groups, which can easily send information and post news for the chapter.
- Have monthly conference calls with all chapter mazkirs and mazkirahs.
  - The purpose of these calls would be to help the mazkirim with problems they are facing. By having this done as a group then all mazkirs can learn from each other.
- All capable chapters establish a Chapter Aleph Sopher
  - Any chapter with 16+ members should elect a brother aleph as chapter sopher(newspaper editor). Only 2 chapters out of the 13 have a sopher.

Fraternally submitted with undying love for Zion AZA #983, The Pacific Coast Region#43, And The Grand Order of the Aleph Zadik Aleph, I remain Aleph Joshua Alan Wortsman
