EVE PAYTON DICKMAN PROUD CANDIDATE FOR THE HIGH AND HONORABLE POSITION OF YOUR 2016 YOUNG LEADERSHIP CONFERENCE COORDINATOR

My sister B'nai B'rith Girls,

Like an artist creates a superhero by following a few specific steps, I will plan an unforgettable convention by following the steps I have created. As a result of my steps I will empower all of the teens who attend YLC to become superheroes and help make an impact in Michigan Region #1701. I hope to inspire each and every member who attend my YLC like my coordinators inspired me. In order for a region to thrive, the leaders need to be educated and prepared to overcome any obstacle they are presented with. I will apply these skills into the superheroes that will be created throughout the conference.

The artist studies all of the details of previously created superhero capes and symbols in order to improve upon the new hero they are creating. In other words, I will take into consideration all of the positives and negatives of my past positions held and of the events I have attended, in order to improve my leadership skills and make this the best term possible as your 2016 YLC coordinator.

Submitted with so much undying love for MITs, education, programming, new friendships, the 2016-2017 programming, cltc 8 2016, ylc 2016, Michigan Region #1701, Ahavah BBG #293, and each and every

one of you,
I remain,

Eve Payton Dickman

Aspiring to serve as your
2016-2017
Young Leadership
Conference
