Although this last term started off weakly, the term has seen our chapter grow tremendously. We have not simply grown in numbers, as our members have grown too. The chapter is filled with young Alephs full of potential, passion, and great ideas. But our work is not finished; we cannot be content with where we are at this point. Now that our foundation has been re-laid, it is time build our chapter. This next term needs not just be a term for growing, but for improving: our programming, our brotherhood, our chapter. We can confirm the claims that Jack Entratter is the most fun, most fraternal, and the finest chapter in Mountain Region.

Fraternal submitted with undying love for Jack Entratter AZA #1882, Mountain Region #47, and the Grand Order of the Aleph Zadik Aleph, I will forever remain Aleph Zev Roni Katz, Candidate for the High and Honorable Position of 12th Term Aleph Godol. \_\_\_\_\_
