

EMILY PAIGE GARTEN

*Damn proud candidate for the high and honorable position of
Genesis BBG's 2016-2017 S'ganit*

My sister B'nai B'rith Girls,

"The best way to predict the future is to create it."

The future of Genesis is in our hands, and it is our job to work together to help it to succeed. We have created a bond for Genesis this year that is like no other. We must use this passion, love, and unity to do the impossible, and excel in programming like never before. As Genesis' S'ganit, it will be my goal to work with every single one of you to ensure that every meeting and event is enjoyable, welcoming, and makes every Genesister love our chapter as much as we do. Together, we can continue to help our chapter excel in every way possible and ensure Genesis's future is bright. I encourage you all to take risks and not be afraid to reach out and stand up to help Genesis thrive. Submitted with undying love and devotion for creating our own future, every BBG, NSR #19, and my heart and home Genesis BBG #2350, I forever remain,
